Hilti Global Management Development Program

Business Track

Do you see yourself as a future leader?
Do you have the desire to live and work internationally?
Do you have the passion to make a difference and the drive to go the extra mile?

Join Hilti Outperformer and start your career on a fast track!

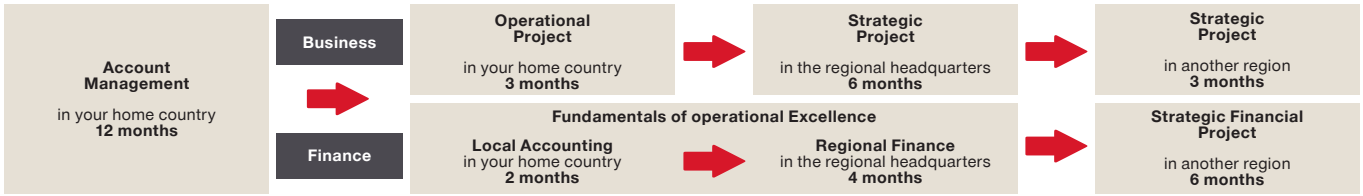

What our program looks like:

Hilti Outperformer is a global management development program like no other. Over a two-year period we'll prepare you for a global leadership career by putting you at the center of our customer-focused business model.

As an account manager in the first year, you'll learn everything about our customers and how to meet their needs; in the second year of the program you will take on global and regional assignments in different functions with significant senior executive exposure.

Yes, it's fast paced and challenging, but we'll coach and mentor you while broadening your experience through a range of international management projects and an impactful social project.

You'll get the support you need to learn, grow and carve out your own career and, aside from enjoying an incredible experience, you'll be certified by a top-ranked European business school.

Courses and Events

Leadership training - a course at a renowned European business school
